Express Scripts-Medco Merger

David Balto, leading Washington PBM advocate, is heading off the efforts of a coalition of pharmacy, union, employer, and consumer groups to oppose the **Express Scripts-Medco merger**.

This advocacy is reaching a critical stage as the Federal Trade Commission and states will likely decide in the next month or two whether to block/restructure this problematic merger.

Resources are running thin and we need the support of those who believe in our end goal of blocking the merger and setting a precedent for greater regulation of the PBM market. Any modest contribution would greatly benefit these important efforts on behalf of pharmacies and patients.

To contribute please send checks payable to Law Offices of David A. Balto to 1350 I Street NW, Suite 850, Washington, DC 20005. For more information on the merger opposition efforts, please check out www.PBMwatch.com or contact us at 202-789-5424.
